## INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors  
Friends of the Ann Arbor District Library

We have reviewed the accompanying statements of financial position of Friends of the Ann Arbor District Library (a Michigan non-profit corporation) as of June 30, 2017 and 2016 and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

### **Accountants' Responsibility**

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

### **Accountants' Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

**FRIENDS OF THE ANN ARBOR DISTRICT LIBRARY  
NOTES TO THE FINANCIAL STATEMENT  
JUNE 30, 2017 AND 2016**

**NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

Friends of the Ann Arbor District Library (FAADL) is a Michigan non-profit corporation founded in 1953 with a mission to promote knowledge of and interest in the resources of the Ann Arbor District Library (AADL), to raise funds for its services and programs, and to provide volunteer assistance as needed. FAADL provides an annual grant to benefit the AADL through the operation of a bookshop that sells donated books and materials, primarily to residents in Washtenaw County, Michigan and book dealers in southeastern Michigan, northern Ohio and other locations in the continental United States. The grant provided to the AADL by FAADL was \$100,250 for the year ended June 30, 2017 and \$140,250 for the year ended June 30, 2016.

FAADL derives its income from bookshop sales, membership dues, investment income and contributions.

Basis of Accounting

The accompanying financial statements of FAADL have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of Presentation

Financial statement presentation is in accordance with US GAAP Codification of Accounting Standards, Topic 958, Presentation of Financial Statements. Under US GAAP Codification Topic 958, the organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Cash and Cash Equivalents

FAADL considers all certificates of deposit and financial instruments with an original maturity period of less than three months to be cash equivalents.

Accounts Receivable

There were no accounts receivable as of June 30, 2017. Accounts receivable at June 30, 2016 were uncollateralized and had been adjusted for all known uncollectible accounts. No allowance for doubtful accounts was considered necessary as of June 30, 2016 based on a review by management of the estimated ability to collect the outstanding amount. There were no balances over 90 days old as of June 30, 2016.

Inventory

Due to the nature of the donated goods, management believes it is impracticable to value inventory. Therefore, no value for beginning or ending inventory has been included in these financial statements.

Property and Equipment

Property and equipment are stated at cost if purchased or at estimated fair market value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Major expenditures in excess of \$500 for property that also have estimated useful lives of three years or more are capitalized. Maintenance, repairs and minor renewals are expensed as incurred. Total depreciation expense was \$884 and \$768 for the years ended June 30, 2017 and 2016, respectively.

**FRIENDS OF THE ANN ARBOR DISTRICT LIBRARY**  
**NOTES TO THE FINANCIAL STATEMENT**  
**JUNE 30, 2017 AND 2016**

**NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**  
**(CONTINUED)**

Donated Services

FAADL records the fair value of contributed services in the financial statements if the services either (a) create or enhance a non-financial asset or (b) require specialized skills, are provided by persons possessing those skills and would need to be purchased if they were not donated, as required by US GAAP Codification Topic 958 (formerly SFAS No. 116). No services meeting the above criteria were received and recognized as support by FAADL for they years ended June 30, 2017 and 2016.

In addition, FAADL has a number of unpaid volunteers assisting the organization. No amounts have been recognized in the accompanying financial statements since these contributed services do not meet the criteria noted above.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the program and support services have been reported on a functional basis in the Statement of Activities. Indirect costs have been allocated between program services and supporting services based on estimates as determined by management. Although the methods of allocation are considered reasonable, other methods could be used that would produce different allocation amounts.

Income Taxes

FAADL is exempt from income taxation under Section 501(c)(3) of the Internal Revenue Code. However, income, if any from certain activities not directly related to FAADL's tax-exempt purpose is subject to taxation as unrelated business income. In addition, FAADL qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

FAADL believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Sales Taxes

FAADL collects sales tax on all of the organization's sales to nonexempt customers and remits the entire amount to the state of Michigan. FAADL's policy is to include the tax collected in sales revenues and the remitted taxes to the state in program service expenses.

Advertising Costs

Advertising costs intended to solicit revenue in an exchange transaction are recorded as expenses in the period incurred.

**FRIENDS OF THE ANN ARBOR DISTRICT LIBRARY  
NOTES TO THE FINANCIAL STATEMENT  
JUNE 30, 2017 AND 2016**

**NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including the date of the independent accountants' review report which is the date the financial statements were available to be issued.

**NOTE 2 – FAIR VALUE OF FINANCIAL INSTRUMENTS**

FAADL's financial instruments consist of cash, accounts receivable and accounts payable. The carrying values for cash and accounts payable approximate their fair value due to their short-term nature.

**NOTE 3 – IN-KIND CONTRIBUTIONS**

In-kind contributions consist of the value (established selling price) of books and materials donated for resale and the fair value of building space donated to FAADL by AADL per mutual agreement. In-kind contributions for the years ended June 30, 2017 and 2016 consisted of the following:

	<u>2017</u>	<u>2016</u>
Materials for resale	\$137,019	\$139,739
Building space	<u>15,505</u>	<u>15,505</u>
Total	<u>\$152,524</u>	<u>\$155,244</u>

**NOTE 4 – ENDOWMENT**

During the year ended June 30, 2000, FAADL transferred \$10,100 to the Ann Arbor Area Community Foundation (AAACF) for the purpose of establishing an endowment fund to generate investment income for use by FAADL in perpetuity. Because FAADL named itself beneficiary of the fund, assets transferred to the fund by FAADL are net assets of FAADL while donations to the fund by others are net assets of the Foundation in accordance with US GAAP Codification Topic 958, even though the gift instrument grants variance power to the Foundation. Variance power is defined as the unilateral power to redirect the use of any gifts or assets to another beneficiary. Income distributions are based upon a formula of the market value of the assets under management and are reflected as temporarily restricted endowment fund activity revenue by the beneficiary organization. FAADL reported \$15,909 and \$14,035 as an other asset and \$1,874 and (\$553) as current income for the years ended June 30, 2017 and 2016, respectively.
